

Fallbrook Players Parent Responsibilities Form

Before your child may be given his/her script, this form must be initialed and signed.

_____ All actors **MUST** have a parent or guardian present at the parent information meeting if they are under 18 years of age.

_____ I will read and sign the Actor & Crew Member's Responsibility Sheet with my child and have them bring it to the parent information meeting.

_____ No script will be given out until all cast fees are paid in full. This may be check, cash, or credit card via the internet. (Please print receipt and bring it with you to collect your script). There is a \$25 returned check fee.

_____ One parent is responsible to chaperone 2 shows and 2 rehearsals which are usually during tech week. Do not purchase a ticket for the night you are chaperoning as you will not see the show. Please bring your calendar to the parent meeting as that is the night you are required to sign-up for your chaperoning duties.

_____ Parent participation in one committee (concessions, souvenirs, sets/props, etc.) is required for each parent. You must have a ticket on the nights you volunteer for raffles, concessions & souvenirs.

_____ All actors are required to be at their assigned rehearsals, ready to start at the designated time. Infractions could result in the loss of lines, scenes, or a part in the production.

_____ All parents and actors are expected to help strike the set and clean up the theatre after the final show.

_____ Fallbrook Players will collect a \$50 volunteer deposit check at the parent meeting. This check will not be cashed and will be returned to you upon completion of duties at the end of strike. You may opt out of volunteering and we will use your \$50 volunteer deposit to hire a replacement.
